About the DVC Legal Series

The DVC Legal Series is a new initiative designed to foster ongoing professional development and knowledge-sharing within the legal community. Scheduled to take place regularly at our Chambers, this series provides a dedicated platform for members of the legal community to deliver and discuss timely legal updates, insights, and expert perspectives with fellow practitioners. Committed to enriching the profession, the series aims to facilitate meaningful dialogue, support continuous learning, and uphold our responsibilities to society through high-quality legal discussion.
